

The Flamingo Flock Frenzy!

This fun fundraiser will raise money to send our kids to summer camp! Fill out the form below to give a visit from a flock of flamingos to the front lawn of someone you love! The recipient of the flock can call the church and arrange to have the flock removed for a campership donation. If they wish, they can then send the flock on to someone else, discounting the amount of their removal donation.

If the idea of a flock of 20+ pink plastic flamingos showing up on your lawn gives you the shivers, you can purchase **Flamingo Insurance**. This insurance will guarantee that if someone chooses your front yard for the next landing, it will automatically go to the individual you specify. If they have insurance, it will go on to the next person until one without insurance is designated.
